This light, roomy and comfortable bar is situated only a minutes' walk from Holborn underground. A great mix of style and character means The Square Pig is a popular meeting place during the day & a bustling venue by night.

Our terrace overlooking Red Lion Square is a great place to unwind, whatever the weather, our heated retractable awning allows you to keep the cold at bay & out of the rain or soak up the rays when the sun does come out.

It is totally flexible, often being used for a variety of events from business meetings & networking lunches to free style dance classes and stylish parties. The Square Pig is renowned for running successful events. We serve great quality British food, which is complimented by an eclectic range of beers and wines.
